EASY WAY TO GO ON CAMPING AND ADVENTURE IN ZAMBIA

WHAT YOU NEED TO KNOW –

Camping And Outdoor Lifestyle

What is Camping? - It is described as an activity of staying overnight in a tent in an outdoor location away from general civilization. This is a great way to get some fresh air and enjoy nature or the environment.

This is also an act of living outdoor for a temporary amount of time for recreational purposes. Camping as an activity is for everyone, young, old, rich or poor and can be a cost-effective outings or vocations you can take compared to the other form of Holiday trips that are expensive. This involves individual and families or group to connect with nature and enjoy the beauty of the environment in a unique way. You can go on a camping that involves hiking, fishing, swimming or simply sleeping in a tent either alone, with families, friends or in a group.

WHAT DO YOU NEED FOR CAMPING

This depends on the type of camping. You need at least basic camping amenities such as camping tent, sleeping bag, sunscreen, boots, insect repellent, flashlights or headlamp and a couple of other camping gear.

Most camping grounds or site do provide camping essentials like running water, showers, toilets, cooking supplies and tents as part of their basic service either at a charge or inclusive in the camp package at the facility. Some campers may prefer to bring their own supplies and cook for themselves while others can make use of the onsite kitchen or refreshment unit available.

@ CAMP CHITA Outdoor centre and CHINYUNYU HOT SPRING - We provide an Eco-friendly camping grounds with an all-round camp facilities and adventure activities to meet your wilderness and outdoor fun-full expectations.

INTERESTING CAMPING ACTIVITIES

Camp CHITA and Chinyunyu camp sites offer various exciting activities that provide you with an opportunity for exploration and adventure. In addition, there are plenty of fun activities to be enjoyed by both young and old, at the campgrounds and in the outdoors such as;

Campgrounds - # Campfires # Outdoor picnics and cooking # BBQ & Braai # Playing games

Adventure activities - # Wilderness camping # Hiking & Biking (Quads and Bikes) # Bird watching & trail tracking # Sunset walks and Fishing etc.

Hiking Camps - this is an activity involving traveling in the wilderness and exploring nature.

Car Camping - This is a traditional type of camping, where a person or group of people drive to a camp site, park their car(s) and set up camp. This typically involves bringing a tent, sleeping bag, camping stove and other essentials to set up a temporal camp site in an area where there is no location.

Survival camping - The type of camping that focus on using primitive skills and tools to obtain food, shelter and other necessities in the wild.

What Are the Benefits of Camping?

Camping is a great outdoor activity that has a variety of benefits. It is a great way to get some fresh air and enjoy nature, and camping can provide physical, mental, and social benefits.

Physically

- Camping can improve physical fitness by providing an opportunity for exercise, such as setting up camp, walking, and hiking in the hills or mountains.
- It can also help to improve overall health by providing access to nutritious meals, fresh air, and Vitamin D from the sun.

Mentally

- It can help us escape everyday stressors and provide an opportunity for reflection and relaxation.
- It can also be a great way to build social connections, allowing people to unplug from technology and connect.

Socially

- It offers a unique opportunity to interact with and form relationships with like-minded individuals.
